Then, a book report will need to be written about the book they chose. They will need to provide a summary (beginning, middle, and end) of the book and also tell about their favorite part of the book. The book report should be written on loose-leaf paper. Please also create a cover for the report. The cover should have a student illustration of a favorite scene in the story, and include the title of the book, the author of the book, and the student's name. Students will bring the written report when they return to school in the fall. This will be the first assignment for third grade! Please encourage your child to read during the summer and help him/her to get off to a good start in third grade. ***Note**: * During second grade your child may have read Flat Stanley or Nate the Great and the Monster Mess. Please **do not** pick a book that has already been read.*
