

Welcome from our school Principal!

Dear Saint Peter's Families and Prospective Saint Peter's Families,

I welcome you to the Saint Peter's Catholic School website. Our school serves children in grades PreK-3/4 to 8th grade. I am honored to serve as the principal and look forward to continuing the work we are engaged in for the 2017-2018 school year.

Saint Peter's School has been providing a strong Catholic education for students in the Olney, MD area for 60 years. Although we are a large school, we have worked diligently to create a program that is small, personalized, caring and high achieving. Our school's mission is to unlock all the doors of the human character to release the spiritual, intellectual, social, emotional, and physical potential of each child. Toward this end, the school is committed to continual self-evaluation and growth.

Our dedicated faculty and staff have created a challenging academic and learning environment for all students. Our school has a reputation for innovation, creativity, strong spirituality, and excellence. We have a highly qualified and progressive teaching staff that is committed to providing our students with culturally relevant and rigorous instruction. We work hard to reach each child academically, spiritually, socially, and emotionally.

Saint Peter's School has a very supportive and involved parish and parent community. We believe that a strong partnership between our school, parish, and home is critical to student and school success. We encourage and invite you to participate and volunteer in our school. Without the support and involvement from parents and families we would not be able to achieve our dreams. Working together enhances the caring school environment that makes our school so special.

Sincerely,
Mary Elizabeth Whelan
Principal
