Program charges are billed monthly. Options A & B are billed monthly in advance. Other options are billed monthly for time used during the previous month. Payments are due upon receipt of invoice. ### Credits and Adjustments

Every student who attends the Extended Day program is required to be registered in advance. Charges for the use of the Extended Day program are based on the daily rates listed above. No credits or adjustments are available for limited use (i.e. during afterschool enrichment activities, or "just for an hour").

### Program Hours

Beginning with the first day of school, Saint Peter's School will provide Extended Day program services. The Extended Day Program is available only when Saint Peter's School is in session. The last day of the Extended Day Program is the last day of school. (This date is subject to change if snow days extend the school year.)

The Before School Program hours are 7:00 - 7:30 am. At 7:30am, students go to the parish hall or their classrooms. The After School Program begins when school is dismissed and closes at 6:00 pm.

**\*NEW FOR THE 2022-2023 SCHOOL YEAR – when the school is scheduled for an early release day (typically at 12:00PM) the Extended Day program will close at 4:00PM.**

### Late pick up

For each child enrolled in Saint Peter's Extended Day Program, there is a minimum late pick-up charge of \$15.00 for the first 5 minutes past the closing time of 6:00PM (4:00PM on early release days) and \$1.00 per minute (or fraction thereof), thereafter. The late fee will be calculated by the Saint Peter's Extended Day Program staff. The late fee is added to the monthly bill. Frequent late pick ups may result in a student's extended day enrollment being terminated.

## **Absences**

Parents are responsible for payment for the full week of the Extended Day Program for each child enrolled in the program, even if the child is absent due to illness, vacation, or other cause. If a child is enrolled in either program, A or B, and will not be in attendance, the school must be notified by e-mail; please email both the classroom teacher and the Extended Day program director, Mrs. Pooja Sachdev.

## **Change of Enrollment Status**

Changes to enrollment status (including withdrawal from the program) must be submitted in writing or by email 30 days prior to the effective date of the change.

## **Emergency closing (due to snow, power outage, etc.)**

Saint Peter's School follows the announced Montgomery County Public School policy for snow or other emergency closings or delayed openings. These announcements are made on the local radio and television stations. Following an announced early school closing, Saint Peter's Extended Day program will close one (1) hour after Saint Peter's School emergency closing. Parents are responsible for monitoring news broadcasts during inclement weather or civil emergencies in order to track possible school schedule changes. There will be no refund or credit against weekly charges for any emergency closings.

- If MCPS cancels after school activities, the Extended Day program will close at 4:00PM.
- If MCPS announces a two (2) hour delayed opening, the Extended Day program will open at 9:00am.
- Any other emergency early release – the Extended Day program will close one (1) hour after school closes.

## **Termination of Enrollment by the School**

The school may terminate a child's enrollment, effective immediately, if, in the judgement of the principal, a child or a parent's behavior threatens the physical or mental health of other children or of the Extended Day program staff.

## **Medication**

Students may not carry medication of any kind. If a child must take medication (prescription or over the counter) the Authorization to Administer Medication form from the State of Maryland Office of Childcare must be completed by a physician and submitted to the program director. Medication must be dispensed from the original package.

## **Discipline**

Students must adhere to all school policies and regulations as identified in the school handbook.

## **Sickness**

Students may not attend the Extended Day Program with a contagious illness. The Extended Day Program follows the same procedures as outlined in the School Handbook for dealing with children who have fevers or contagious illnesses (i.e. strep throat, conjunctivitis etc.). Parents are required to pick up a sick child as soon as possible as there is no way to isolate a sick child from others in the Program.

## How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

**Only a medical provider, local health department official, school official, or child care provider may sign ‘Record of Immunization’ section of this form. This form may not be altered, changed, or modified in any way.**

### Notes:

1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella, measles, mumps, or rubella**.
2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.
5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

## Immunization Requirements

The following excerpt from the MDH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

“A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:

- (1) Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine.”

Please refer to the “**Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools**” to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and MDH COMAR 10.06.04.03 are available at [www.health.maryland.gov](http://www.health.maryland.gov). (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the “**Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs**” guideline chart are available at [www.health.maryland.gov](http://www.health.maryland.gov). ## Information and Instructions for Parents/Guardians

### **REQUIRED INFORMATION**

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered or approved child care or nursery school:

- **A physical examination** by a physician or certified nurse practitioner completed no more than twelve months prior to attending child care. A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02 and 13A.17.03.02).
- **Evidence of immunizations.** A Maryland Immunization Certification form for newly enrolling children may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at:

[http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/maryland\\_immunization\\_certification\\_form\\_dhmh\\_896\\_-\\_february\\_2014.pdf](http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/maryland_immunization_certification_form_dhmh_896_-_february_2014.pdf)

- **Evidence of Blood-Lead Testing for children living in designated at risk areas.** The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at: [http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/dhmh\\_4620\\_bloodleadtestingcertificate\\_2016.pdf](http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/dhmh_4620_bloodleadtestingcertificate_2016.pdf)

### **EXEMPTIONS**

Exemptions from a physical examination, immunizations and Blood-Lead testing are permitted if the family has an objection based on their religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care provider or child care personnel who have a legitimate care responsibility for your child.

### **INSTRUCTIONS**

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered during child care hours, you must have the physician complete a Medication Authorization Form (OCC 1216) for each medication. The Medication Authorization Form can be obtained at

<http://earlychildhood.marylandpublicschools.org/system/files/filedepot/3/occ1216-medicationadministrationauthorization.pdf>

If you do not have access to a physician or nurse practitioner or if your child requires an individualized health care plan, contact your local Health Department.

## HOW TO USE THIS FORM

The documented tests should be the blood lead tests at 12 months and 24 months of age. Two test dates and results are required if the first test was done prior to 24 months of age. If the first test is done after 24 months of age, one test date with result is required. The child's primary health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature section. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.
