Good Afternoon, and happy Friday!

In today's all-staff meeting, I presented information about the Green School application process. Items discussed:

- The school's goal to take steps toward certification with the Maryland Green School Program
- The faculty composition of the Green Team
  - Teacher representatives: Mr. Tremblay (Middle School), Mrs. Pak (Intermediate), Mrs. Nichols (Primary)
- The three objectives, and the specific requirement of each (per the 2021-2022 Guide)
  - Curriculum and Instruction
  - Student -Driven Sustainability Practices
  - Community Partnerships

The focus of the meeting was a broad overview of the application process, and how faculty will be involved in the process. Each objective and sub-objective was covered, with examples and encouragement to faculty to consult myself, Mrs. Pak, or Mrs. Nichols with any further questions.

Thanks, and have a wonderful weekend!

Joe
